To whom it concerns,

Company CALEIDOSCOPE SYSTEMS AB leading ceiling producer in Sweden confirms that BARWA SYSTEM Sp. z o.o. has realized together with Caleidoscope Systems AB orders, in cooperation around the world.

Assigned to many contracts Barwa System was supplier of aluminum ceilings starting from 2006. Each delivery was always executed on time, with high quality of material.

We confirm that all of aluminium suspended ceilings (OPEN CELL, OPEN LINE, OPEN LINE Korridor, MICROCELL, Panels type B, A and A1 and other "on request") was made fully professionally with the biggest care for each square meter from thousands of them.

CALEIDOSCOPE SYSTEM AB therefore recommends BARWA SYSTEM Sp. z o.o. as a reliable company, proven and Fair Partner
